NEW MEXICO OIL CONSERVATION COMMISSION

Regular Hearing

9:00 a.m., August 20, 1953

MR. MACEY: Mr. Spurrier, Mr. Utz is not here right now, but I believe I may speak for him that it is the opinion of the gas testing committee in the San Juan Basin that there is no need and he would like to recommend the dismissal of this case.

MR. SPURRIER: You have all heard Mr. Macey's motion? Is there objection to the motion that this case be dismissed? The Commission will dismiss the case and will move on to Case 562.
