MR. MACEY: Will you read Case 549, please?

(Mr. Graham reads the notice of publication)

EMORY C. ARNOLD

having been first duly sworn, testified as follows:

DIRECT EXAMINATION

BY MR. GRAHAM:

Q Will you state your name and position, please?

A Emory C. Arnold, geologist, Oil Conservation Commission.

Q You are familiar with Case 549, as advertised?

A Yes, sir, I am.

Q Will you give a statement as to that case and your recommendations, please?

A I recommend that the pool extensions in District 3 be made as advertised on the basis of wells completed.

Q With respect to the consolidation, what is your recommendation?

A Yes. It now appears that the Dogie Canyon-Pictured Cliffs Pool and the South Blanco-Pictured Cliffs Pool are one common source of supply, and should, therefore, be consolidated.

Q Do you have any recommendation as to what it should be called?

A Yes, I recommend it be called the South Blanco-Pictured Cliffs.

Q You recommend then the abolishment actually of the Dogie Canyon?

A Yes, sir.

MR. MACEY: Are there any questions of the witness? Do you have an exhibit, Mr. Arnold?

A Yes, sir, I have an exhibit.

MR. MACEY: Without objection, the exhibit will be received.

If there is no further questions, the hearing is adjourned.
