Gentlemen:

Re: Request for hearing for exception to Rule 7 (a)  
of Commission Order No. R-369-A

Please accept this as a request for a hearing for an exception to Rule 7 (a)  
of the Commission's Order No. R-369-A, Langmat Pool, Lea County.

Our R. W. CcWden 120-acre lease is located in the NE/4 SW/4 and the N/2 SE/4 of  
Section 30, Tsp. 23S, Range 37E, and has one producing gas well. This is well  
No. 1, and was completed as a gas well in September 1946,,and has been  
producing gas since that date.

You will note from the attached Gas Well Plat that the 80 acres to the north  
and the 80 acres to the south (both of which are owned by Western Natural  
Gas Company) each has one producing gas well.

We will appreciate it very much if you will set this for hearing at your  
regular December 17, 1953, meeting.

Yours very truly

Dear Sir:

We have your applications of December 9, 1953, for approval of two unorthodox gas proration units in exception to Rule 7(a) of the Langmat Gas Pool order (No. R-369-A):

- (1) 80-acre unit comprising W/2 SW/4 Sect. 30, Twp. 23 South, Rge. 37 East, upon which your R. W. Cowden 'B' Well No. 1 is a producing gas well; and
- (2) 120-acre unit comprising NE/4 SW/4 and N/2 SE/4 Sect. 30, Twp. 23 South, Rge. 37 East, upon which your R. W. Cowden Lease No. 1 Well is producing.

Your applications were received too late to be included among cases set for the December 17 hearing. In fact, we prefer to have such applications at least 30 days prior to a hearing so that proper legal advertisement may be made with sufficient leeway to permit correction, if necessary. Therefore we will place your applications among these to be set up for the regular hearing on January 20, 1954, unless we are advised otherwise.

In the meantime, temporary allowables will be assigned to the wells pending outcome of the cases.

Very truly yours,

WBM:mr
