TRANSCRIPT OF HEARING

MR. SPURRIER: The next case on the docket is Case 745.

R O B E R T F. E V A N S ,

called as a witness, having been first duly sworn, testified as follows:

DIRECT EXAMINATION

By MR. HOWELL:

Q Will you state your name to the Commission, Please?

A Robert F. Evans.

Q Have you prepared a plat showing the location and offset wells surrounding Section 2, in Township 23 South, Range 36 East in Lea County, New Mexico?

A Yes, sir.

Q Will you hand the plat to the Commission?

A (Witness complies.)

Q Now, El Paso Natural Gas Company holds leases on what portion of that section?

A We hold the lease on the north half of the south half of the Section 2.

Q What other wells are already located on that Section 2?

A We have the Gulf Janda Number 1 in the northeast quarter, we have the Gulf Janda Number 2 in the northwest quarter, and the Skelly-Mexico - E Number 1 in the, located in the south half of the southeast quarter.

Q Has an unorthodox gas proration unit been granted to Skelly for the south half of the south half of the section?

A Yes, sir, it has.

Q Which gas pool is this located in, is this in the Langmat Gas Pool?

A Yes, sir, it is the Langmat.

Q El Paso Natural Gas Company desires to drill a well to what formation on the north half of the south of that section?

A Yates Seven Rivers well at approximately 3,500 feet.

Q From the surface?

A From the surface.

Q Have the offset operators been notified of this application?

A Yes, sir, that is correct.

Q Do you have any replies there to the letters of notification?

A Yes, sir, I do.

Q Would you detach and hand those letters to the Commission?
.....While you are looking for that, let's go ahead with a little

more testimony there. Is the north half of the south half of this section reasonably proven acreage for gas production from the Yates Seven Rivers?

A Yes, sir, it is.

Q Is it necessary in order to prevent waste and conserve natural resources and protect correlative rights that an unorthodox proration unit be allowed, if the owner of lease-hold rights on this 160 acres can recover its fair share of the gas lying under the area?

A Yes, sir, that is correct.

MR. HOWELL : Do you have those letters ready now?

A No, sir, I don't.

MR. HOWELL: That is all the testimony.

MR. WALKER: You wish to enter these as exhibits?

(Marked Exhibit No. 1, for identification.)

MR. HOWELL: Yes. We offer the Exhibit 1 showing the plat. We will file the letters as soon as he gets them out of there.

MR. WALKER: Is there any objection? If not they will be admitted. Does anyone have any further questions of the witness? If not the witness may be excused.

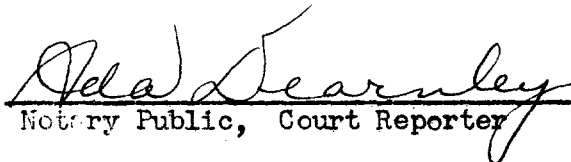

(Witness excused.)

MR. WALKER: Does anyone have any comments in the case? If not we will take the case under advisement.
