Gentlemen:

Reference is made to your letter dated October 26, 1955, requesting administrative approval for a 160-acre unit for your Seal (Federal) Well No. 2 in the Eumont Gas Pool. In that same letter you requested that the dual completion and 160-acre non-standard gas proration unit granted in Order R-555, dated December 16, 1954, for your Seale (Federal) Well No. 1, should be cancelled as it was never dualled and the same 160 acres or the SW/4 of Section 34, Township 20 South, Range 36 East, Eumont Gas Pool is to be assigned to your Well No. 2 under NSP-208 as granted on November 30, 1955.

Effective November 30, 1955, Order R-555 is rescinded for your Seale (Federal) Well No. 1 for a 160-acre non-standard gas proration unit and dual completion on said well and unit.

Very truly yours,
