

The map displays the proposed water supply unit (shaded area) and existing water supply units (unshaded areas) in the Houston area. The proposed unit is located in the central part of the map, covering the area around Houston and The Woodlands. The existing units are located in the surrounding areas, including Spring Branch, Humble, Baytown, Pasadena, and The Woodlands. The map also shows the locations of various water supply units, including the proposed unit (shaded area) and existing units (unshaded areas). The map is labeled with 'T 19 S' and 'R 17 E'.
