Case No. 1029

BEFORE:

Warren W. Mankin, Examiner

TRANSCRIPT OF HEARING

EXAMINER MANKIN: The hearing will come to order. The first case we have today will be Case 1029 which is the application of Gulf Oil Corporation for an order granting approval of two non-standard drilling proration unit in exception to paragraph 1 of the Special Rules and Regulations of the South Knowles-Devonian Pool. We have received a letter from Gulf Oil Corporation, addressed to the Oil Conservation Commission, dated March 1, 1956, requesting dismissal. It reads as follows: "Reference is made to New Mexico Oil Conservation Commission Case No. 1029, scheduled

for hearing March 7, 1956, which concerns the application of Gulf Oil Corporation, dated February 17, 1956, for an order granting approval of two non-standard drilling proration units in exception to Paragraph 1 of the Special Rules and Regulations of the South Knowles-Devonian Pool, Lea County, New Mexico. Gulf Oil Corporation respectively requests the Commission to withdraw the above-described application and that the Commission dismiss Case No. 1029". Is there objection to dismissing Case 1029 at this time? If not, the case will be so dismissed.
