In Re: South Chaco Unit  
San Juan County, N. Mex.

Dear Mr. Morrell:

On this date we received your letter requesting our preliminary approval of the South Chaco Unit as to form and context. We have examined this unit agreement and find that it follows closely the San Juan 16-8 Unit agreement which this office previously approved.

We are therefore approving the South Chaco Unit agreement as to form and context.

We wish to thank you for submitting this agreement to this office for prior approval.

Very truly yours,

E. S. WALKER  
Commissioner of Public Lands
