IN REPLY REFER TO
FILE:

Case 1099

New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Attention: Mr. Warren W. Mankin

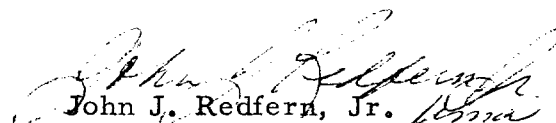

Gentlemen:

With reference to the hearings that were held on Wednesday before your examiner, Mr. Mankin, here is the information that he requested I should forward.

On the potential test each of these wells were blown and then shut in for 7 days. The potential test was a three hour duration.

If there is any additional information that you need, I will be happy to supply it.

Very truly yours,

John J. Redfern, Jr.

Dear Mr. Mankin:

We enclose herewith two Applications of John J. Redfern, Jr., each in triplicate, for the Commission's approval of non-standard gas proration units in the Fulcher Kutz-Pictured Cliffs Gas Pool, San Juan County, New Mexico.

We are desirous of having these applications considered at the July 11 hearing and will appreciate whatever steps are necessary in this regard.

Very truly yours,

ATWOOD & MALONE
