Unit Agreement in Lea County, New Mex-
ico, in accordance with Rule 507 of
the New Mexico Oil Conservation Com-
mission Statewide Rules and Regula-
tions. Applicant, in the above-styled
cause, seeks an order granting ap-
proval of his proposed North Bagley
Unit Agreement embracing 1,440 acres,

and the NW/4 of Section 11, Township

Case No. 1119

BEFORE:

Warren W. Mankin, Examiner

TRANSCRIPT OF HEARING

MR. MANKIN: The next case is No. 1119.

(Mr. Jack Cooley, Attorney for the Oil Conservation Commis-
sion, read the title of the within case.)

MR. HINKLE: Clarence Hinkle of Roswell, New Mexico, appear-
ing on behalf of V. F. Knickerbocker. This was an application for
approval of the North Bagley Unit Agreement, and we requested a
hearing on behalf of Mr. Knickerbocker, believing he had sufficient
time to get the block together and make all the arrangements for
drilling of the well, but he ran into difficulty in getting pipe

and in getting some of the parties in interest to go along, so it is necessary that the case be dismissed. I think he has written a letter to that effect and I believe he sent it to the Commission, so I move that the application in Case No. 1119 be dismissed.

MR. MANKIN: Let the records show that the Commission did receive a letter dated August 3, from Mr. Hinkle in which he relates essentially the same information from a letter from Mr. Knickerbocker, dated August 1. Is there any objection, if not, the case will be dismissed.
