RE: PROPOSED UNIT, COVERING
ACREAGE 16-S, 34-E, LEA
COUNTY, NEW MEXICO

Dear Mr. Walker:

Last Monday I was in your office, inquiring about the possibility of forming a State Unit in 16-S, 34-E, Lea County, New Mexico. Due to various reasons, mainly the short termed leases involved, our Management has decided not to form this Unit.

I certainly thank you for the consideration and co-operation shown to me at the time that we were inquiring about this proposed Unit. I am in this letter also thanking Mr. Porter and Mr. Mankin in the Oil Conservation Commission for the help which they gave to us.

Yours very truly,

TENNESSEE GAS TRANSMISSION COMPANY
