Dear Sir:

On behalf of your client, Rowan Oil Company, we enclose two copies of Order R-998 issued May 10, 1957, by the Oil Conservation Commission in Case 1243, which was heard on April 26th at Santa Fe.

The enclosed order approves a non-standard gas proration unit consisting of the N/2 S/2 of Section 7, Township 22 South, Range 37 East. Further research of the survey plats shows that this unit instead of being 160 acres was found to be 157 acres. The allowable will be assigned in the proportion that the 157 acres bears to a standard proration unit in the Eumont Gas Pool.

Very truly yours,

A. L. Porter, Jr.
