Gentlemen:

MURRAY E. MORGAN MISSIGNER OF PUBLIC LANDS

> In regard to your letter of October 3, 1957, in regard to the above designated Communitization.

We find your Communitization meets the requirements of this office as to form and context other than the effective date on page two which we will undoubtedly amend by our certificate of approval, making the Communitization effective as of the date production is obtained under your new 160 acres allowable.

If we can be of assistance to you please call upon us.

Very truly yours,
