New Mexico Oil & Gas Commission

Gentlemen:

I am advised that El Paso Natural Gas Company has requested a hearing which has been granted for 1-7-58 in order to take up their application for an extension to the deliverability test period in order that they may re-test certain wells to which they are connected. Inasmuch as El Paso Natural Gas Company is buyer, and we are the seller on certain leases in San Juan County, I hope that this extension of time is granted.

El Paso Natural Gas Company has always been most cooperative both with the producer and with the state and federal bodies; and an extension of time to them to make these re-tests will work no hardship on anyone and will insure fair and rateable takings to both the producers and others concerned.

Yours very truly,
