MR. UTZ:    The hearing will come to order, please. We  
have two continued cases on the docket this morning. We will take  
those up first, and dispose of them so the people won't have to wait  
around.

The first case on the docket will be Case 1519.

MR. COOLEY:    Case 1519. Application of Sunray Mid-Con-  
                  tinent Oil Company and British American Oil Producing Company for

an order authorizing a secondary recovery project.

MR. WHITE: If the Examiner please, Sunray Mid-Continent, one of the joint applicants, respectively moves that the case be continued until the October 15th hearing at Farmington, New Mexico.

MR. COOLEY: That's before the New Mexico Oil Conservation Commission?

MR. SULLIVAN: That's correct. The other applicant in this case, British American, joins and concurs in that respect for a continuance.

MR. UTZ: Is there any objection to the continuance of this case until the October 15th hearing at Farmington? Without objection, it will be continued.
