Re: Case No. 1600

Mr. A. L. Porter, Jr., Director  
New Mexico Oil Conservation Commission  
P. O. Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

In the BILL OF PARTICULARS filed in the captioned case, I noticed that I inadvertently omitted a portion of the description of interest owned. In Paragraph 1(a), I omitted showing that the applicants own a 5% overriding royalty and a 10% carrying working interest in the following described lands:

Township 29 North, Township 4 West

All of Sections 23, 24, 25, 26,  
35 and 36, and the SW $\frac{1}{4}$  of Section  
14.

At the time the matter is heard, I will make the appropriate amendment to the BILL OF PARTICULARS for the record.

Very truly yours,

CAMPBELL & RUSSELL

Re: Case No. 1600

Mr. A. L. Porter, Jr., Director  
New Mexico Oil Conservation Commission  
P. O. Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

We enclose herewith BILL OF PARTICULARS which the Commission required in connection with the captioned case. A copy of the BILL OF PARTICULARS has been forwarded to the attorneys for El Paso Natural Gas Co. and Pacific Northwest Pipeline Corp., along with a copy of this letter of transmittal.

It was called to our attention, after the filing of this application, that the Commission has not yet undertaken to prorate gas in the Choza Mesa Pictured Cliff Pool and we therefore intend to offer evidence only as to the Blanco Mesa Verde Pool.

Robert Critchfield, one of the applicants, is now on an extended trip abroad and will not return until the end of May. We would like to have this case continued to the June or July regular statewide hearing of the Commission in order that Mr. Critchfield may be present. When the case is called at the April statewide hearing of the Commission, we would like to request that the records show that we requested a continuance of the case.

Very truly yours,

CAMPBELL & RUSSELL

In Re: N.M.O.C.C. Cause 1600, In  
the Matter of the Application  
of M. A. Romero and Robert  
Critchfield requesting the  
Commission to investigate ope-  
ration of oil prorationing in  
the Blanco-Mesa Verde Pool

Attn: Mr. Payne

Gentlemen:

Will you please advise me the ruling, if any  
has been had yet, in the captioned matter. You will  
recall that oral argument was held on Motion of certain  
protestants on July 15. The Motion was taken under ad-  
visement, and it may be that it's still under advise-  
ment, but I would like to be informed concerning this  
matter.

Yours truly,

  
Geo. L. Verity
