Subject: Application for Gallup-
Dakota Dual Completion
W. P. Saunders No. 1

Mr. A. L. Porter
New Mexico Oil Conservation Commission
P. O. Box 1901
Santa Fe, New Mexico

Dear Sir:

In accordance with the provisions of Rule 112-A, for multiple completions, it is respectfully requested that Skelly Oil Company be granted approval to dually complete the W. P. Saunders No. 1, located 660 feet from the south line and 1980 feet from the east line of Section 11, T-26-N, R-11-W, Unit O, in the Gallup and Dakota zones.

We are submitting the attached "Application For Dual Completion", together with a diagramatic sketch of the dual completion and plat showing applicable well locations. A copy of the electric log with pertinent data indicated thereon, is being submitted to the District Office in Aztec, New Mexico.

Offset operators are being furnished copies of this letter and "Dual Completion Application" by registered letter this date.

Yours very truly,

P. E. Cosper
