A Yes, sir. There is a study to be made as to whether they shall go into the Maljamar Pool or into the Roberts Pool.

A I believe, sir, that the two pools are connected, and therefore we will have to abolish one.

MR. PORTER: Without objection, the Commission will make the exhibit a part of the record as recommended by Mr. Payne, with the exclusion of Paragraph (s), and that paragraph will be dismissed.

Anyone else have any questions of the witness? The witness may be excused.
