Re: Federal Lease

Culwin Field

Mr. Olen F. Featherstone
200 West First
Roswell, New Mexico

Dear Sir:

This has reference to the No. 1-B well on your captioned lease.

We trust this well proves to be a commercial producer. If a pipe line connection is not immediately available to handle this production, we would appreciate very much the opportunity to assist you in arranging a market for your oil by truck. We are presently purchasing and transporting crude oil in this area and would be most happy to serve you in any manner possible.

Thank you for any consideration you may extend to us in this matter.

Yours very truly,

CACTUS PETROLEUM, INC.

Re: Harvey E. Yates
Federal Lease
Culwin Field
Bady County, New Mexico

Mr. Harvey E. Yates
320 Carper Building
Artesia, New Mexico

Dear Sir:

This letter, upon acceptance by you, will confirm our agreement whereby you will sell and we will purchase the allowable production from your captioned lease.

For this production we will pay you the price posted by Sinclair Crude Oil Company for New Mexico Sour crude oil, which price is currently \$2.95 per barrel for 40°-44.9° gravity crude with a two cent differential downward for each degree upward to a final price of \$2.73 per barrel for 55° gravity and above. There will be a three cent differential for each degree below 40° gravity. From this price we will deduct twenty (20) cents per barrel.

It is our understanding that you desire us to hold the basic division order covering this lease, thereby enabling us to make disbursement to the various interest owners. In this connection you agree to furnish directly to our Mr. T. D. Jenkins, Vice President, Cactus Petroleum, Inc., P. O. Box 12385, Houston 17, Texas, a title opinion acceptable to him for our use in the preparation of said basic division order. This title opinion will be based on abstract material dating from sovereignty of the soil to the date of our first run.

It will be necessary that you furnish the unit production number assigned to this lease by the Oil Conservation Commission and the ad valorem tax rate to Mr. W. E. Perry in our Houston office.

If the above is your understanding of our agreement, kindly indicate your acceptance of same by signing in the space provided below and returning one signed copy of this letter to this office.

Yours very truly,

Charles T. Lucas, Jr.
