Dear Mr. Holland:

Referring to your letter of February 12, 1960 requesting permission to complete the above Pictured Cliffs Well as a Dakota Well in an unorthodox location, please be advised that we refuse our permission to do this, particularly in view of the fact that in Section 14 you have apparently completed a Dakota Well in the northeast corner which, with the above Well, would not give any rhyme or reason to the pattern for Dakota development.

Yours very truly,

BROOKHAVEN OIL COMPANY
