ATTENTION: Mr. Tom Stephens

Dear Sirs:

We have reviewed your plans for an LACT to automatically transfer oil to Service Pipe Line Company from the State "BB" Lease, the State "BD" Lease, the State "BJ" Lease, and the State "BN" Lease, said LACT to be located on the State "BP" Lease.

Your proposed facilities are satisfactory to us, and we are agreeable to receiving oil at this location on an automatic basis. Please inform us as soon as this installation is approved so that we may order a prover tank. We would also like to have your estimate of the completion date.

If we can be of any further assistance to you, please call us.

Yours very truly,

SERVICE PIPE LINE COMPANY
