Re: Keel Deep Unit

Gentlemen:

This will acknowledge receipt of your letter of April 7, 1965 requesting that we advise the present status of subject unit.

We were unable to secure the agreement of the necessary parties to this unit, and therefore we terminated our efforts to form this unit. We apologize for not advising you of this matter sooner.

If we can be of any further assistance, please advise.

Yours truly,

Jo. R. Lodle  
District Landman

Re: Keel Deep Unit

Gentlemen:

New Mexico Oil Conservation Commission Order No. R-1898 granted approval of the Keel Deep Unit on March 9, 1961. This office has not received notice of approval of said unit by the Director of the United States Geological Survey; please inform us as to the present status of the unit agreement.

Thank you.

Very truly yours,

J. E. KAPTEINA  
Engineer

**Re: Proposed Keal Deep Unit  
Eddy County, New Mexico**

**Attention: Mr. Horace M. Burton**

**Gentlemen:**

**The Commissioner of Public Lands is herewith notifying you of his intention not to approve the Keal Deep Unit Agreement.**

**In our opinion it is not to the best interests of the State to approve any commitment of State acreage to the Keal Deep Unit. This decision is based on the fact that tracts seven and ten are not being committed to the Unit Agreement.**

**We will be willing to reconsider this decision if at a later date the record owners of these tracts should desire to join the unit.**

**Very truly yours,**

**E. S. JOHNNY WALKER  
COMMISSIONER OF PUBLIC LANDS**
