**Re: Unorthodox Location for Socony  
Mobil E. O. Carson Well No. 23,  
undesignated San Andres Pool,  
Lea County, New Mexico**

**Gentlemen:**

Reference is made to your request for administrative approval of an unorthodox location for your E. O. Carson Well No. 23 (formerly E. O. Carson Well No. 1-SND).

Inasmuch as Commission Rule 104(f) provides for administrative approval of unorthodox locations only in instances where the application is based on topographic conditions, it will be necessary to have a hearing on this matter.

If you wish, we will treat your application for administrative approval as an application for hearing and will docket it for the April 5th examiner hearing.

Very truly yours,
