Attn: Mr. A. L. Porter, Jr., Secretary-Director

Gentlemen:

Gulf Oil Corporation, as an offset operator, has been advised of the application of TEXACO Inc. for an unorthodox well location in the Tubb Gas Pool for its A. H. Blinebry NCT-1 No. 8. It is understood that the well is located 330' FWL and 1980' FNL, Section 33, T-22-S, R-38-E, Lea County, New Mexico.

Gulf Oil Corporation has no objections to this unorthodox location and the assignment of a standard 160 acre gas proration unit to TEXACO's A. H. Blinebry NCT-1 No. 8, and hereby waives all protests to the granting of this application.

Very truly yours,

GULF OIL CORPORATION
