Santa Fe, New Mexico

Gentlemen:

On behalf of General American Oil Company of Texas, we would like to request a hearing before one of your examiners for consideration of an application by General American Oil Company of Texas to move a tank battery from their State B-1778 lease in the SE $\frac{1}{4}$ SE $\frac{1}{4}$  of Section 36, Township 17 South, Range 29 East, to a point in the northern part of the SW $\frac{1}{4}$  of Section 31, Township 17 South, Range 30 East, on their Beeson F L.C. 060529 lease.

It is the intention of the company to consolidate their Beeson tank batteries at the same location which is just south of a proposed water plant for the injection of water in an approved waterflood project. This will improve the efficiency of the waterflood operation.

Very truly yours,

  
Jack M. Campbell
