****Log will be submitted in accordance with Rule 112-A when it becomes available.**

D. K. Appell
Signature

- * Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.
- NOTE: If the proposed dual completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.

Names and addresses of all interested parties known to The Ohio Oil Company in connection with Ohio's application dated October 11, 1961 for dual completion and designation of non-standard gas proration unit in the Monument-McKee Gas Pool, Lea County, New Mexico
