## TEXACO

PETROLEUM PRODUCTS

DOMESTIC PRODUCING DEPARTMENT

P. O. BOX 3109 MIDLAND, TEXAS

April 10, 1962

New Mexico Oil Conservation Commission P. O. Box 871 Santa Fe, New Mexico

Attn: Mr. A. L. Porter, Jr.

Gentlemen:

Dh Davider Dev McKel

Texaco Inc. respectfully requests that a hearing be set to consider its application for a quadruple tubingless completion for its G. L. Erwin "B" NCT-2 Well No. 2. The completions will be in the Undesignated Glorieta (Paddock), North Justis Blinebry, North Justis Tubb-Drinkard, and Undesignated Devonian Pools, Lea County, New Mexico. Order No. R-2109 dated November 1, 1961, approved Texaco's application for a quintuple tubingless completion in the North Justis Ellenburger, and Undesignated McKee, Fusselman, Devonian, and Drinkard Pools. Upon drilling this well, however, it was found that all of the original proposed zones of completion were not productive. This well is now completed as a quadruple in the four above mentioned pools. By your letter of March 20, 1962, you advised that it would be necessary to set a hearing to amend Order No. R-2109. In support of our application we wish to state the following facts:

- 1. Texaco Inc. is the operator of the G. L. Erwin "B" NCT-2 containing 160 acres and consisting of the SE/4 of Section 35, T-24-S, R-37-E, Lea County, New Mexico.
- 2. The G. L. Erwin "B" NCT-2 Well No. 2 is located in Unit J, Section 35, T-24-S, R-37-E.
- 3. The Devonian formation is an oil completion and will be produced through a string of 2-3/8" OD tubing cemented in the well bore as casing.
- 4. The Drinkard zone is an oil completion and will be produced through a string of 2-3/8" tubing cemented in the well bore as casing.

- 5. The Blinebry zone is an oil completion and will be produced through a string of 2-3/8" tubing cemented in the well bore as casing.
- 6. The Glorieta (Paddock) zone is an oil completion and will be produced through a string of 2-3/8" tubing cemented in the well bore as casing.
- 7. All four zones will flow initially.

Attached in triplicate are an application for quadruple completion and a plat of the G. L. Erwin "B" NCT-2 Lease. It is respectfully requested that this hearing be set on your first available examiner hearing docket.

Yours very truly,

C. R. Black
