TRANSCRIPT OF HEARING

MR. PORTER: We will take up Case 2636. In the matter
of the Oil Conservation Commission upon its own motion to change
the time and place of certain hearings.

MR. DURRETT: May the Commission please, we would like
to call Mr. Dan Nutter as a witness.

(Witness sworn.)

A The former date of the hearing was October 17, 1962, and the place was advertised as this hall in Santa Fe.

MR. DURRETT: May the Commission please, that will conclude my direct examination of this witness.

A That's the first portion regarding October only.

Q (By Mr. Durrett) Excuse me, please continue then with December.

A Inasmuch as there would be a conflict with the meeting of the Inter-State Oil Compact Commission in December, which meeting is scheduled for December 10th, 11th and 12th, and with the hearing of the Oil Conservation Commission as advertised for December the 13th, it is recommended that the date of the hearing for December be changed to December 19 from the 13th. The place of the hearing has not been changed and would be at the State Land Office Building, Santa Fe, New Mexico, as previously advertised.

Q Do you have anything further, Mr. Nutter?

A No, sir.

MR. PORTER: Does anyone have a question concerning the hearing dates? Is there any objection to the changing of these dates? The witness may be excused.

(Witness excused.)

MR. PORTER: If there's nothing further to be offered
