CASE NO. 2669

A P P L I C A T I O N

Applicant, Amerada Petroleum Corporation states that:

1. Applicant is the owner and operator of the L. M. Lambert lease consisting of the NE/4 Sec. 6-T20S-R37E, Lea County, New Mexico.
2. Applicant proposes the conventional dual completion of its L. M. Lambert No. 8 in the Monument Paddock and Monument Blinebry oil pools.
3. Dual completions between these two zones have previously been granted. It will be necessary, however, that this matter be set for hearing due to the small size of tubing to be used.
4. The Commission's Dual Completion Form, schematic diagram of dual equipment and plat of area are attached.

Applicant requests that this matter be set for hearing, that notice of the hearing be given as required by law and that after notice and hearing, the Commission issue order authorizing the proposed dual completion.

Respectfully submitted,
