Mr. J. M. Durrett, Jr., Attorney  
State of New Mexico

Dear Mr. Durrett:

We find the following regarding Certified Letter No. 859319 addressed to Mr. Everett D. Burgett, 102 S. Canal St., Carlsbad, New Mexico: Address was changed to P. O. Box 940 because Mr. Burgett does not receive mail at the street address. Letter was not called for after two notices had been sent. POD form 3811, which was stapled to letter, was torn from letter, the address crossed out and "Return to Writer" stamp indicating that it was to be returned to sender was placed on the letter. Letter was cancelled showing date of return, and dispatched to Santa Fe. Receipt form 3849 in our office shows return date as May 22, 1963. We have talked with the clerk handling the operation. She states that letter was not called for after two notices had been sent. It had not been opened, but possibly the staples that had held the 3811 were still in the envelope making it appear to have been stapled. We can not account for the May 28th date. According to procedure second notice would have been sent on May 16, 1963 as indicated. 3811 forms are always removed when letter is returned to sender, so you would not get it back. First class letters can never be opened except by proper authority at Dead Letter Office. We can not account for return to you on May 28th. Letter was dispatched from Carlsbad at 6:15 PM in pouch for Santa Fe on May 22, 1963.

Sincerely,

*Horace H. Hubert*
