Attention: Mr. Dan Nutter

Gentlemen:

This will refer to my telephone conversation yesterday with Mr. Dan Nutter relative to the application filed by Jake L. Hamon for the adoption of temporary special field rules because of the discovery made in the Hamon State K-33 No. 1 well in the Devonian formation located in Section 30, Township 16 South, Range 36 East, Lea County.

I advised that we would redraft the application to provide for special field rules including 80 acre spacing rather than 160 acre spacing and it was my understanding that you would change the notice being published for the examiner's hearing and that this would probably be set down for the special hearing to be held on November 12.

Yours very truly,

HINKLE, BONDURANT & CHRISTY
