It is agreed that this lease shall remain in force for a term of five years from date, and as long thereafter as oil or gas, or either of them, is produced from said land by the lessee.

In consideration of the premises the said lessee covenants and agrees:

FIRST. The lessee shall deliver to the credit of lessor as royalty, free of cost in the pipe line to which lessee may connect its wells, the equal one-eighth (1/8) part of all oil produced and saved from the leased premises, or, at lessee's option, may buy or sell such one-eighth (1/8) royalty and pay lessor the market price for oil of like grade and gravity prevailing in the field on the day such oil is run into pipe lines or into storage tanks.

which shall operate as a rental and cover the privilege of deferring the commencement of a well for twelve months from said date. In like manner and upon like payments or tenders the commencement of a well may be further deferred for like periods of the same number of months successively. And it is understood and agreed that the consideration first recited therein, the down payment, covers not only the privileges granted to date when said first rental is payable as aforesaid, but also the lessee's option of extending that period as aforesaid and any and all other rights conferred. Delay rentals and tenders and all other payments or tenders herein authorized or required may be made in currency, by check or draft of lessee payable to lessor by depositing such currency, check or draft in any postoffice on or before the due date, in an envelope with sufficient postage thereon, addressed to lessor or the depository bank. Notwithstanding the death of the lessor, or his successor in interest, the payment or tender of rentals in the manner provided above shall be binding on the heirs, devisees, executors and administrators of such person.

Should the first well drilled on the above described land be a dry hole or cease to produce, then and in that event, if a second well is not commenced on said land within twelve months from the expiration of the last rental period which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rentals, as before provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided shall be paid the lessor only in proportion which his interest bears to the whole and undivided fee.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for its operation thereon, except water from wells of lessor.

When requested by the lessor, lessee shall bury his pipe lines below plow depth.

No well shall be drilled nor shall 200 feet to the house or barn now on said premises, without the written consent of the lessor.

Lessee shall pay for damages caused by its operations to growing crops on said lands.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the lessee shall commence to drill a well within the term of this lease or any extension thereof, the lessee shall have the right to drill such well to completion with reasonable diligence and dispatch, and if oil or gas, or either of them, be found in paying quantities, this lease shall continue and be in force with like effect as if such well had been completed within the term of years herein, first mentioned.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a certified copy thereof. In the event of the death of lessor or his successor in title, any rental payment which may be made hereunder shall be deposited in the depository bank to the credit of the estate of such deceased lessor or his successor in title until lessee shall have been furnished with certified copies of all muniments of title designating title from such deceased lessor or successor in title to the person succeeding to such interest. And it is hereby agreed in the event this lease shall be assigned as to a part or parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment of the proportionate part of the rents due from him or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands which the said lessor or any assignee thereof shall make due payment of said rentals. An assignment of this lease, in whole or in part, shall as to the extent of such assignment relieve and discharge the lessee of all obligation hereunder.

Compliance with any now or hereafter existing act, bill or statute purporting to be enacted by any Federal or State legislative authority, or with orders, judgments, decrees, rules, regulations made or promulgated by State or Federal courts, State or Federal offices, boards, commissions or committees purporting to be made under authority of any such act, bill or statute, shall not constitute a violation of any of the terms of this lease or be considered a breach of any clause, obligation, covenant, undertaking, condition or stipulation contained herein, nor shall it be or constitute a cause for the termination, forfeiture, revision or revesting of any estate or interest herein and hereby created and in no way shall any such act, bill or statute, or any order, judgment, decree, rule, regulation, or any action for damages or suit for the forfeiture or cancellation hereof, and while any such purport to be in force and effect they shall when complied with by lessee or assigns, to the extent of such compliance operate as modifications of the terms and conditions of this lease where they conflict with the hereinbefore.

Lessee may at any time surrender this lease, in whole or in part, by delivering or mailing a release to the lessor, and a release of record in the proper county.

Notwithstanding the provisions of the paragraph above pertaining to the lesser interest clause, this lease shall cover not only the interest of the lessor but the interest of the grantee and his successors in interest in that certain Mineral Deed dated September 1, 1950 recorded in the office of the County Clerk of Chaves County, New Mexico in Book 145 of Deed Records, Page 452 under the provisions of which lessor herein reserved the right to lease for oil, gas and other minerals the interest conveyed by said deed, it being the intention that this lease cover all of the oil, gas and other minerals in and under and that may be produced from the above described land.
