 No. 3-11-12, 1st 1st 1st 1st
 1st 1st 1st 1st

[illegible]

It was found that withdrawal of the water "14" No. 2 and the vicinity thereof, 2-0, 1-1, 2-11, 2-12, 2-13, 2-14, 2-15, with the water-treatment water plant located north of Washington, 1-6 on this side of the international division, may be very difficult to accomplish on the basis of the small structures.

RE: MALJAMAR POOL, LEA COUNTY,
NEW MEXICO. UNITIZATION
PROPOSAL OF PHILLIPS NO. 2
MEXCO A, NE¹/₄ SE¹/₄, SECTION
2-17-32 WITH THE BOLLER
NICHOLS FLOOD

GENTLEMEN:

OUR FORT WORTH OFFICE HAS REFERRED YOUR LETTER OF NOVEMBER 28, 1962,
TO ME FOR HANDLING.

AS YOU HAVE MENTIONED THE UNITIZATION OF THIS LEASE AND THE KENNEDY STATE
NO. 2 (NW SE SECTION 2) WITH OUR DEVELOPED AREA WOULD BE VERY DIFFICULT.
WE CAN SEE NO WAY IN WHICH IT WOULD BE POSSIBLE.

KENNEDY OIL COMPANY HAS CONTACTED YOUR HOBBS OFFICE REGARDING A UNITIZA-
TION OF YOUR WELL WITH HIS SINGLE WELL WHEREIN THE CONVERSION OF HIS WELL
TO INJECTION WOULD BE POSSIBLE. WE ARE IN FAVOR OF THIS TYPE ARRANGEMENT
DUE TO THE SIMPLICITY OF BEING BETWEEN ONLY TWO OPERATORS, AND NOT
INCLUDING THE ACREAGE ALREADY UNDER FLOOD.

IF THERE IS ANY FURTHER PLAN YOU WISH TO DISCUSS, PLEASE LET US KNOW.

VERY TRULY YOURS,

WATER FLOOD ASSOCIATES, INC.
