

OIL CONSERVATION COMM.

BEFORE THE OIL CONSERVATION COMMISSION
OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE APPLICATION
OF DALPORT OIL CORPORATION FOR
AN EXCEPTION TO ORDER R-3221-C,
CASE 3807, ENTERED SEPTEMBER 10,
1968, TO PERMIT THE DISPOSAL OF
SALT WATER PRODUCED FROM DALPORT
#1 TODHUNTER-FEDERAL WELL IN THE
SE $\frac{1}{4}$ NW $\frac{1}{4}$ SECTION 22, TOWNSHIP 15
SOUTH, RANGE 29 EAST, N.M.P.M.,
CHAVES COUNTY, NEW MEXICO, INTO
A PIT LOCATED IN THE SW $\frac{1}{4}$ NW $\frac{1}{4}$ OF
SAID SECTION 22.

CASE NO. 4736

APPLICATION

COMES NOW Dalport Oil Corporation, a Texas corporation
(Dalport), authorized to transact business in the State of New
Mexico, and states:

1. Dalport is the operator of a producing oil well
in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ Section 22, Township 15 South, Range 29 East,
N.M.P.M., Chaves County, New Mexico, which produces oil and
associated hydrocarbons from the Queen formation in the Double L
Field in Chaves County, New Mexico; in addition to oil, said
well produces approximately 50 barrels of salt water per day.
Dalport is also the operator of five or more additional producing
wells in the Double L Field. The well in question is known as
the Dalport #1 Todhunter-Federal Well.

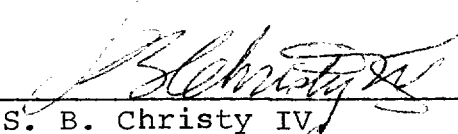

2. By this application Dalport seeks to dispose or
produce salt water from said well into a pit located in the
SW $\frac{1}{4}$ NW $\frac{1}{4}$ of said Section 22. It is the information and belief of
Dalport that there are no fresh water bearing formations in the

area of said well and pit which might be contaminated by the continued disposal of salt water from said well into said pit, and that no correlative rights would be violated as a result of such authority. That in order to prevent waste without the violation of correlative rights of any interested party, Dalport should be granted authority to dispose of salt water produced from said well into said pit as an exception to Order R-3221-C, Case 3807, entered by the Commission September 10, 1968.

WHEREFORE, Dalport Oil Corporation respectfully requests the Commission to set the above matter down for hearing, and after notice and hearing, to enter an Order permitting the disposition of salt water produced from the Dalport #1 Todhunter-Federal Well into a pit, or any supplemental, amended or substituted pits, located in the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of said Section 22; and for all proper relief.

DALPORT OIL CORPORATION
