Attention: Mr. Dan Nutter

Gentlemen:

This will confirm my telephone conversation with you today in which I advised that Atlantic Richfield Company desires to dismiss case No. 5126 which appears on the examiner's docket for November 28. This is an application for approval of the Avalon Deep Unit Area in Eddy County.

Atlantic Richfield has run into some unanticipated difficulties in the formation of the unit and it is going to be necessary for them to drop the formation of the unit, at least temporarily.

Please consider this as a motion for dismissal of the case.

Yours sincerely,

HINKLE, BONDURANT, COX & EATON
