Re: Application of ORYX Energy Company for Compulsory Pooling and an
Unorthodox Location, Eddy County, New Mexico

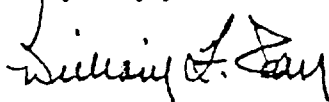

Gentlemen:

This letter is to advise you that ORYX Energy Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests from the top of the Wolfcamp formation to the base of the Morrow formation in and under certain lands in Section 19, Township 18 South, Range 28 East, N.M.P.M., Eddy County, New Mexico. ORYX Energy Company proposes to dedicate the above-referenced pooled acreage to a well to be located at an unorthodox location 990 feet from the South and East lines of said Section 19.

This application has been set for hearing before a Division Examiner on March 21, 1991. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, or affected by the proposed unorthodox location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Gentlemen:

This letter is to advise you that ORYX Energy Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests from the top of the Wolfcamp formation to the base of the Morrow formation in and under certain lands in Section 19, Township 18 South, Range 28 East, N.M.P.M., Eddy County, New Mexico. ORYX Energy Company proposes to dedicate the above-referenced pooled acreage to a well to be located at an unorthodox location 990 feet from the South and East lines of said Section 19.

This application has been set for hearing before a Division Examiner on March 21, 1991. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, or affected by the proposed unorthodox location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
ATTORNEY FOR ORYX ENERGY COMPANY
