*Administrative Order NSL-3009*

Dear Mr. Elliott:

Reference is made to your application dated April 4, 1991 on behalf of Collins & Ware, Inc. for a non-standard gas well location for your Big Jake Six Shooter Federal "13" Well No. 1 to be located 990 feet from the North line and 1750 feet from the East line (Unit B) of Section 13, Township 20 South, Range 33 East, NMPM, to test either the Undesignated Quail Ridge-Morrow Gas Pool or Undesignated Teas-Pennsylvanian Gas Pool, Lea County, New Mexico. The N/2 of said Section 13 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for either pool.

By the authority granted me under the provisions of the Special Rules and Regulations for both the Quail Ridge-Morrow Gas Pool and/or Teas-Pennsylvanian Gas Pool, as promulgated by Division Order Nos. R-3890 and R-2627, respectively, the above-described unorthodox gas well location is hereby approved.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay".
