September 19, 1991

Mr. William LeMay  
New Mexico Oil Conservation Division  
P.O. Box 2088  
Santa Fe, NM 87504-2088

Dear Mr. LeMay:

**ORDER NO. R-9562 - Application of Conoco, Inc.  
For A High Angle/Horizontal Directional Drilling  
Pilot Project And An Unorthodox Oil Well Location,  
NW/4 Sec. 17, T-19S, R-25E, Eddy County, New Mexico**

The above order, approving the drilling of a horizontal well in the North Dagger Draw Pool by Conoco, was issued August 9, 1991. The application, hearing testimony, and the order all identified the proposed well, to be drilled at this location, as the Barbara Federal No. 13.

Conoco would like to request that the name of the proposed horizontal well, as approved by this Division Order, be changed to the Barbara Federal No. 14. Since the drilling permit has not yet been filed, the only official reference to a Well No. 13 is in this Division Order. We would like to permit this well for drilling as the Barbara Federal No. 14.

Thank you for your help in this matter. Please contact Jerry Hoover at (915) 686-6548 if there are any questions concerning this request.

Very truly yours,

  
Jerry W. Hoover  
Senior Conservation Coordinator

*RE: Division Order No. R-9526  
Case No. 10339*

Dear Mr. Hoover:

Per your letter dated September 19, 1991 requesting a name change of the proposed horizontal well to be drilled in the NW/4 of Section 17, Township 19 South, Range 25 East, NMPM, North Dagger Draw - Upper Pennsylvanian Pool, Eddy County, New Mexico, from the Barbara Federal Well No. 13, as referenced in said Order, to the Barbara Federal Well No. 14.

All other provisions in said Order No. R-9526 remaining unchanged, the Division certainly has no problem with your request. Please mention said difference by Order number on the Application to Drill form or subsequent Sundry notice for future reference.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael E. Stogner", with a long horizontal flourish extending to the right.

MICHAEL E. STOGNER
