IN THE MATTER OF THE APPLICATION  
OF AMERICAN HUNTER EXPLORATION, LTD.  
FOR AN UNORTHODOX LOCATION AND  
DIRECTIONAL DRILLING, RIO ARRIBA  
COUNTY, NEW MEXICO.

CASE NO. 10537

APPLICATION

AMERICAN HUNTER EXPLORATION, LTD., by its undersigned attorneys,  
hereby make application to the New Mexico Oil Conservation Division for approval of an  
unorthodox oil well location, and for directional drilling, and in support of this application  
states:

1. American Hunter is the operator of Section 5, Township 27 North, Range  
(1) 11 West, N.M.P.M., Rio Arriba County, New Mexico.
2. Due to topographic conditions, American Hunter proposes to drill its Jicarilla  
5A Well No. 1 from an unorthodox surface location 830 feet from the North line and 1075  
feet from the East line of said Section 5.
3. American Hunter seeks an exception to Rule 4A of the Special Pool Rules  
and Regulations for the West Puerto Chiquito-Manco Oil Pool to permit it to drill this  
well at the proposed unorthodox surface location.
4. American Hunter seeks an exception to Division Rule 104F(2) to permit it  
to drill this well to an unorthodox bottomhole location within 50 feet of a point 660 feet  
from the North line and 1900 feet from the East line of said Section 5.

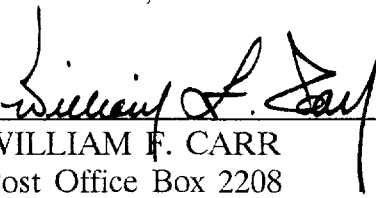

5. Because of these unique surface and bottom hole conditions, American Hunter must directionally drill this well and therefore seeks an exception to Division General Rule 111.

6. Approval of this application will afford American Hunter the opportunity to produce its just and equitable share of hydrocarbons underlying this spacing unit and will otherwise be in the best interest of conservation, the prevention of waste and the protection of correlative rights.

WHEREFORE, American Hunter respectfully requests that this application be set for hearing before a duly appointed Examiner of the Oil Conservation Division of August 20, 1992, and that after notice and hearing as required by law, the Division enter its order granting this application and providing such other relief as is proper.

Respectfully submitted,

CAMPBELL, CARR, BERGE &
