Re: Application of Great Western Drilling Company for
Compulsory Pooling, San Juan County, New Mexico; NMOCD
Case No. 10563

Dear Mr. Stogner:

You will recall that during the October 1, 1992 hearing on the above application, Great Western was urged to again contact Coastal Oil and Gas Corporation in order to seek Coastal's voluntary commitment of their interests to the J.E. Decker #11 which was drilled some time ago but which remains shut-in. I wish to report to you that further efforts have been made to secure Coastal's joinder, but that unfortunately Coastal has not been able to make a decision. Under these circumstances, we respectfully request that the Division proceed to enter its Order pooling the interests of Coastal Oil and Gas Corporation so that gas may be produced and sold from the subject well.

Very truly yours,
