Re: Application of Yates Petroleum Corporation for Compulsory Pooling and an
Unorthodox Gas Well Location, Eddy County, New Mexico

Gentlemen:

This letter is to advise you that Yates Petroleum Corporation has filed the enclosed Application with the New Mexico Oil Conservation Division seeking the force pooling of certain mineral interests in Section 27, Township 21 South, Range 24 East, N.M.P.M., Eddy County, New Mexico. Yates Petroleum Corporation proposes to dedicate the referenced pooled unit to its Pan Am ALZ Federal Com Well No. 1 at an unorthodox location 1140 feet from the South line and 1350 feet from the West line of Section 27, to be reentered and drilled to a depth of approximately 10,350 feet, more or less, to test the Upper Pennsylvanian and Morrow formations.

This application has been set for hearing before a Division Examiner on December 3, 1992. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Santa Fe Energy Operating Partners, L.P.

November 9, 1992

Page 2

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

A handwritten signature in black ink, appearing to read "William F. Carr", with a stylized flourish at the end.
