Re: Application of Arapaho Oil & Gas for Salt Water Disposal, Eddy County, New Mexico

Gentlemen:

This letter is to advise you that Arapaho Oil & Gas has filed an application with the New Mexico Oil Conservation Division seeking authority to dispose of produced water by injection into the Lovington sand of the San Andres formation, in its Cave State Well #3 located 1650 feet from the North line and 330 feet from the West line of Section 4, Township 17 South, Range 29 East, N.M.P.M., Eddy County, New Mexico.

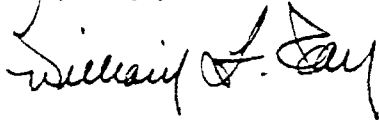

Attached for your information is a copy of the application filed by Arapaho on OCD Form C-108. All attachments required by this Division form are enclosed for your information.

This application has been set for hearing before an Examiner of the Oil Conservation Division on December 17, 1992. As the owner of an interest which may be affected by this application, you may appear at that hearing and present testimony. Failure to appear at that time or otherwise become a party of record will preclude you from challenging this application at a later date.
