Re: Oil Conservation Division Case 10707:
Application of Amoco Production Company for a CO₂ Injection Pilot Project
and an Exception to Rule 4, Order No. R-8768-A, San Juan County, New
Mexico

Dear Mr. LeMay:

Amoco Production Company hereby requests that the above-referenced case be reopened and readvertised for the Examiner hearings scheduled for June 3, 1993. The reason for this request is that Amoco must change the project area from the W/2 of Section 23 as originally proposed to the N/2 of this Section.

By copy of this letter, Amoco is providing notice of this change, by certified mail to all affected operators. Unless objection is received or the Division requires otherwise, Amoco does not intend to present additional testimony on June 3rd, but instead, when the case is called will request that it be taken under advisement and an order entered on the record made on April 8, 1993.

Your attention to this matter is appreciated.

Very truly yours,

WILLIAM F. CARR
ATTORNEY FOR AMOCO PRODUCTION COMPANY
