Re: Application of Mewbourne Oil Company for Compulsory Pooling, Lea County,
New Mexico

Dear Mr. Lanning:

This letter is to advise you that Mewbourne Oil Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of certain mineral interests in all formations from the surface to the top of the Wolfcamp formation, in and under the W/2 SE/4 of Section 32, Township 18 South, Range 34 East, N.M.P.M., Lea County, New Mexico. Mewbourne Oil Company proposes to dedicate the referenced pooled units to its La Rica "32" Well No. 1 to be drilled 1980 feet from the South and East lines of said Section 32.

This application has been set for hearing before a Division Examiner on May 12, 1994. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
ATTORNEY FOR MEWBOURNE OIL COMPANY
