RE: Application of Enron Oil and Gas Company  
for a De Novo Hearing on Division Order  
No. R-8959 in Case Nos. 9667 and ~~9689~~  
9669

Gentlemen:

Parker Drilling Company, an interest owner in the field affected by Division Order No. R-8959, would like to go on record as opposing Enron Oil and Gas Company's request in Case Nos. 9667 and ~~9689~~ 9669 for an unorthodox gas well location and non-standard gas proration unit in Lea County, New Mexico. The granting of the unorthodox location to Enron Oil and Gas would very likely adversely affect the interests of Parker Drilling Company.

Very truly yours,

  
James W. Linn  
Senior Vice President
