

Proposed Change to Rule 711.
Commercial Surface Waste Disposal Facilities

711.C. Before commencing construction, all commercial surface waste disposal facilities shall have a surety or cash bond in the amount of \$25,000, in a form approved by the Division, conditioned upon compliance with statutes of the State of New Mexico and rules of the Division, and satisfactory clean-up of site upon cessation of operation, in accordance with Part J of this Rule. If a bond has been secured for a treating plant permit at the location, that bond shall be sufficient for the treating plant permit at the location, that bond has been sufficient for the surface waste disposal portion of the facility, providing they are contiguous. If an adequate bond is posted by the applicant with a federal or state agency and the bond otherwise fulfills the requirements of this rule. The applicant must notify the Division of any material change affecting the bond filed for the site and must, in any case, report the status of their bond annually to the Division;
