Dear Mr. Ramsey,

We appreciate your order for fourteen 3" Skid Mounted Meter Runs. You always have an open invitation to view the fabrication and testing of your meter runs at our Odessa, Texas location.

The construction of your meter runs by Progressive Sales will be in accordance to the AGA Report #3 and is now designed as AGA #2/ANSI/API-2530. The recorders will be dry flow bellows type with chart verification.

Thanks again for your business.

Sincerely,

Royce Woodard
