State of NM Case #9901  
State of NM Order #R-9153

Gentlemen:

Reference is made to today's telephone conversation with Ms. Florence Davidson regarding the subject Case/Order.

Pursuant to the subject Order, Pacific is to provide the Division and each Working Interest Owner with an itemized schedule of the subject well's costs within 90 days following completion of such well, which occurred November 30, 1990. However, Pacific has not yet received all of the subject well's drilling, testing, completing and equipping costs, and therefore will not be able to provide the necessary itemized schedule of well costs until sometime after the February 28, 1991 deadline.

Therefore, as discussed and agreed to, Pacific will provide the itemized schedule of well costs promptly after receiving all such well costs.

If you have any questions, please contact John Lodge.

Very truly yours,
