CUMBRE COURT REPORTING (505) 984-2244

STATE OF NEW MEXICO ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT OIL CONSERVATION DIVISION CASE 9931 EXAMINER HEARING IN THE MATTER OF: Application of Arco Oil & Gas Company for Pressure Maintenance Expansion, Eddy County, New Mexico. TRANSCRIPT OF PROCEEDINGS BEFORE: MICHAEL E. STOGNER, EXAMINER STATE LAND OFFICE BUILDING SANTA FE, NEW MEXICO May 21, 1990 CUMBRE COURT REPORTING (505) 984-2244

1	HEARING EXAMINER: At this time we'll call
2	Case 9931.
3	MR. STOVALL: Application of Arco Oil and
4	Gas Company for pressure maintenance expansion, Eddy
5	County, New Mexico.
6	MR. CARR: May it please the Examiner, my
7	name is William F. Carr, with the law firm of Campbell
8	& Black, P.A., of Santa Fe. I represent Arco Oil and
9	Gas Company.
10	Arco requests that this case be continued
11	to the Examiner Hearing scheduled for June 13, 1990.
12	In the meantime, we intend to file an amended
13	application, which we'll seek in addition to the
14	expansion of the pressure maintenance project,
15	amendment of certain rules which govern the
16	development of the Empire-Abo Unit.
17	MR. STOVALL: Mr. Examiner, we received
18	previously from the law firm of Kellahin, Kellahin &
19	Aubrey representing Oxy U.S.A., a motion to dismiss
20	this application. I believe the motion was based upon
21	the failure of the advertisement to reference
22	amendments to Order R-4549. And I believe that's the
23	reason you're requesting the continuance?
24	MR. CARR: That is the reason, although the
25	locations of the wells have correctly been reflected
	CUMBRE COURT REPORTING
	(505) 984-2244

1 in the notice provided and in the legal 2 advertisement. Time is not such a factor that we are not 3 willing to go ahead and amend the application to 4 5 provide an exception to Rule 7 of the rules governing the Empire-Abo Unit to approve these particular well 6 7 locations. 8 Instead of fighting that--we've also 9 recently, within the last week, provided to Oxy a 10 substantial volume of information that they've 11 requested and they have also requested additional time to review that information. 12 13 So, all of these factors combined result in 14 our requesting a continuance. 15 Mr. Examiner, in view of the MR. STOVALL: 16 fact that if we were to grant Mr. Kellahin's motion, 17 Arco could simply refile the application corrected, 18 and what Mr. Carr is seeking seeks to accomplish the same result, I recommend that we deny Mr. Kellahin's 19 20 motion to dismiss, and grant Mr. Carr's motion for 21 continuance. 22 HEARING EXAMINER: Thank you, Mr. Carr. 23 Mr. Stovall, thank you. 24 At this time I will deny the request of 25 Mr. Kellahin to dismiss this case. And in that fact, CUMBRE COURT REPORTING (505) 984-2244

	5
1	Case No. 9931 will be continued and readvertised for
2	the June 13, 1990 hearing.
3	Does anybody else have anything further in
4	Case 9931, or did I miss anything?
- 5	(And the proceedings concluded.)
