RE: Case No. 9949, Order No. R-9329; Application of Chevron U.S.A. Inc. for a Non-Standard Gas Proration Unit, Unconventional Gas Well Locations, and Simultaneous Dedication, Lea County, New Mexico.

Dear Mr. LeMay:

Doyle Hartman requests that the Oil Conservation Commission hearing on the above referenced case, which he requested, be postponed from the currently scheduled docket of January 17, 1991 to the next Commission docket. Mr. Hartman and Chevron are very close to settlement of the issues outstanding and anticipate that, ultimately, no hearing will be necessary. Bill Carr, counsel for Chevron, concurs in this request.

Sincerely,
